## ANNOUNCING COMPUTER PRINTOUTS

Dan Brinson, Society Secretary and Editor of *Terrell Trails* has spent hundreds of hours encoding his own research materials and those others have made available to him into short biographical summaries in his privately owned computer. The volume of this material pertaining to the Terrell surname and its variants has now reached the point where we can experiment with offering this information to members and/or the public.

We will begin a test to determine if we have sufficient interest in this project to make it economically feasible.

As a test, we will offer printouts from this data bank at the following rates to Society members only: \$2.00 per given name and surname plus \$.50 per page for each page over 4 found containing that name combination, subject to a \$5.00 minimum. We would suggest that those who are researching a specific name or names, send a request to the Secretary for a printout and enclose a check to the Society for \$5.00. The database will be searched, and the data (if any) printed out. Should the number of pages exceed a total of 10, the member will be advised of the number of additional pages and the cost of obtaining them.

However, at this fee, the secretary cannot take time to read any summary to determine whether it applies to YOUR specific ancestor; ie, you may request a search on John Terrell (which would get printouts of all summaries on the name combination John Terrell); or may limit the request to a specific area as John Terrell of VA; of NC; of GA; or of any

PROPOSED CHANGE IN BYLAWS

ARTICLE V of the By-Laws printed in this issue carries the original suggested minimum donation for annual dues which is more complicated than necessary. It was anticipated that members might want extra copies of *Terrell Trails* for their children and grandchildren; however, except for one or two, this has not proven to be the case. Instead, we have had a lot of confusion on the part of potential members as to exactly what constitutes the minimum annual dues. Also there was an age breakdown giving those age 61 and over a \$2.00 per year reduction in the hope that these senior citizens would have more 'history' and would share it with us. Except for three or four families, this has also proven to be a false assumption.

Therefore, based upon the first year experience with *Terrell Trails* which has shown that there is little if any postage savings in mailing multiple copies to the same address and that there has been very little reciprocation of information in return for the senior citizen discount, it is proposed that Article V of the By-Laws be amended to set the SUGGESTED MINIMUM ANNUAL DONATION as follows: Individual \$8.00 per year; Each Additional copy of *Terrell Trails* to same address \$7.00; Non-Member \$12.00 per year; and that institutions such as libraries and genealogical societies be allowed to join at the Individual member rate of \$8.00 per year due to the publicity to be gained from those sources. These proposed changes to become effective for calendar year 1987.

This proposal will also be voted upon at the annual reunion in California on the third Saturday in July 1986. If you have any objections, suggestions, or other proposals regarding annual dues, please write the Secretary now. Silence will be construed as approval.

DUES ALONE ENOUGH?

Please take a close look FINANCES on page 50.

We had about \$453.00 total for publication of *Terrell Trails* and incorporation of the Society which took \$110.00, and had less than \$150 cushion to start off this year with.

We now have received only \$531.00 this year. Unless we get many new (see left)

similar combination of states, however, each state would be considered a separate search and a \$2.00 fee would apply to each just as if it were a separate name combination. Therefore, if your ancestor lived in several states, or if you do not know which states, a general search might be more economical and profitable.

Dan Brinson will provide the use of his computer, data, and supplies for half of the above fee with the remaining half going to the Terrell Society of America, Inc. for postage & general expenses.

In the event that there is insufficient interest in this service, or in the event that members object to the above terms, the offer will be withdrawn by Dan Brinson and the test terminated.

In the event that this test is successful, study will be made to determine at what price this service could be made available to non-members, ie, the general public.

members, we won't be able to grow much if any this year on 'minimum donations.' Some EXTRA is needed to grow.##

No your eyes are not deceiving you. The above is another of the Terrell variations found in the record books of this country. This item is on another of the numerous 'John Terrells' who shared the same era as our John and Marian, thus eliminating one Terrell couple as possible parents of our John.

John Terrell was born in Robeson Co. NC in 1790; son of Philemon and Elizabeth Terrell; moved with parents to GA; reared in Liberty Co. rell made a deed to their mother Mrs. Elizabeth Terrell 12/09/1916 for four tracts of land totalling 650 acres in Liberty Co. GA owned by the elder Terrell at his death (*Deed Book H, p. 107, Liberty Co. GA.*)

John and second wife Nancy Overstreet (b. SC 1799--d. 1870+) were among the organizing members of Antioch Primitive Baptist Church in present Echols Co. GA on 02/10/1838 as an arm of Union Church in present Lanier Co. GA. (*Pioneers of Wiregrass Georgia, Vol 1, p.274; V2, p 319; V4 p. 36,312,386; V7 p. 482*)

**FRANKLIN J. TERRELL**

One Franklin J. Terrell of Echols Co. GA. md. 03/05/1883 Beady Malisie McMillian, dau. of Archibald M. Jr. and Narcissus Lott McMillian. (*Pioneers of Wiregrass Georgia, Vol 7 p. 291*)

**RICHARD TERRELL**

One Richard Terrell md. Missouri Sellers, b. GA 1862; dau of John [first coroner of Echols Co. GA] and Mahala Sellers. (*Pioneers of Wiregrass Georgia, Vol 6 p. 231*)

TERRELL, DURVA ANN (01/17/1883--06/16/1884) born Coosa Co. AL; daughter of James Ignatious & Rebecca Ann Pittman T.; lived only 17 months; died Coosa Co. AL; probably buried Olive Branch Cemetery.

TERRELL, EDMUND mentioned in letter from John Calhoun Terrell as one of three uncles named Terrell. The other two, Absalom and John along with his father Ignatious were named in the will of John Terrell; therefore it is likely that Edmund was a great uncle of John C. and a brother of John. Some of the following bits of data may be about our Edmund.

11/08/1816, one Edmund Terrell gave surety bond in the marriage of William Terrell to Mary Blankenship Campbell County, VA. (*Ency of American Quaker Genealogy, Vol VI, p 858*)

CENSUS; NEWTON CO. GA: 1830: Edmon Terrell, 1 m. 30-40; 1 f. under 5; 1 f. 5-10; 1 f. 30-40; no slaves; total 4.

One Edmund Terrell married Nancy Grant 12/02/1830, Pike Co., GA.

One Edmund Terrell married Lucy Wade 01/01/1835, Henry Co., GA.

February 6, 1836, one Edmon Terrel, private, served under Capt. Thomas W. Harris. This Company was formed for the Indian War of 1836. (*Henry Co. Mother of Counties, p.52*).

CENSUS; CARROLL CO GA; 1840: Edmon Terrell; 1 m. 30-40; 1 f. 30-40; 1 person employed in agriculture. Name not found in 1850 census for GA.

One Edmond Terrell, b.c.1770/1780's (based upon calculations from WINGFIELD FAMILY TREE for which one or two birth-dates for older members are known), was born to Joel Terrell and Fanny Butler who was daughter of Edward Butler and Elizabeth Wingfield.

The following Edmund Terrell cannot be the father of our John if recently discovered (1985) DAR information is correct, however heirs usually did not witness wills, therefore the John who witnessed this may have been our John.

One Edmund Terrell (signed Terrill) made will 06/01/1784, proven 11/15/1784; Culpeper Co. VA; named children: Elisabeth, Mary, JOHN, EDMUND, Sarah, Jean, Robert, James, Nancy, Fanny, & Lucy; did not name wife, but will was witnessed by ANN TERRILL; "my friend John Terrell" (possibly indicating a cousin or even unrelated John Terrell, but quite possibly the one for whom son John was named). Robert Garnett, & William Willis, Executors; John was present at proving of the will, but refused to accept the burden of executorship, William Willis was appointed instead. (*Will Book "C" page 91, Culpeper Co. VA.*)

## JOSIAH TERRELL

Born SC, 1792; son of Philemon & Elizabeth ? Terrell; md. 08/11/1814 Lucena Swilley, sister of Reason F. Swilley. (*Pioneers of Wiregrass Georgia Vol 6, p.260; V 7 p. 403*)

All descendents of the preceeding Terrells are just as eligible for membership in the Terrell Society of America as are the descendents of John and Marian of Henry Co. GA, or any of the other Terrells/Terrills/or Tyrrells who migrated here from England or elsewhere in Europe.

**Terrell Genealogy Cache Relocated**

We regret to inform you that Ms. Mildred O. Eubanks of Franklin, KY passed on last October.

Her sister, Jewell Eubanks, has advised member Lee Y. Ponder that her research papers [including extensive research on TERRELL and RELATED LINES] have been packed and delivered to Mr. Riley Handy, Western Kentucky Univ., Bowling Green, KY 42101 and that the information will be available for research after a few months.

**ANNOUNCING  
OPERATION HARDCOPY**

There have been numerous 'family history' and 'county history' as well as 'tombstone index' books published in this country which contain genealogical information relating to the Terrell surname in its various forms.

One of the goals of the Terrell Society of America, Inc. is to create a library/museum combination containing as many of these volumes as possible. Mrs. Ruth Warren, librarian, at the Douglas County

Library has promised us space to start the TERRELL COLLECTION, USA., in a special locked and secured reference room in the new library in Douglasville, GA. These books may be acquired in various ways including: donation by private owners; photocopies made on copy machines where books are no longer in print; and by purchase by the Society. Your editor hopes to have a list available in a future issue of *Terrell Trails* containing as many titles as possible of these books.

In the interim, we ask that you do the following: 1) if you know of a book that contains Terrell information, please send us the name of the book, author, and publisher; 2) if you have such a book, consider donating it, or a xerox copy of it to the Society; 3) even if you do not know of such a book or have access to one, please consider a special donation of \$5.00, \$10.00, or whatever you can afford toward the expense of this project.

A good many of these books can be found in the Atlanta, GA area, but the Society does not have the funds to cover copy or purchase expenses. Your prayers and cooperation are needed in this project.

**FINANCES**

Detailed financial report is not ready but I'll share a few facts with you now.

In 1985, we received \$570.00 in 'dues' and \$229 in 'general donations' for a total of \$799.00. We used \$325.90 to reimburse your secretary/editor for his out of pocket expense in locating and contacting 'lost' Terrell descendants and in furnishing them with reunion announcements in 1984 when the Society was formed and in 1985. Most of the balance was used to publish *Terrell Trails* Vol. I, to promote the Society via press releases and complimentary copies of our newsletter to the Library of Congress and to a few selected genealogical libraries and publications, to reply to inquiries from Terrell Descendants who responded to that publicity, and to incorporate the Society as a non-profit corporation. We had about \$150 left at year end.

In 1986, we have received \$480.00 in 'dues' and \$51.00 designated for microfilm/general expenses for total of \$531.50.

**Sister Organization  
in England**

You will probably be surprised to learn that we have a sister organization in England that has been in existence for several years.

It is called the TYRRELL FAMILY HISTORY SOCIETY. The USA correspondent is our own member, Mrs. Martha Tyndall, 4704 Waverly Lane, Jacksonville, FL 32210.

They also publish a quarterly newsletter and we are told that about every other issue contains some information on the 'Cousins in America.' The few copied sections that Mrs. Tyndall has shared with your editor are quite interesting and informative.

In our last issue under this heading, we reported about the 'Rufus Stone' in England. You may also be surprised to learn that the Tyrrell Family History Society has a 'Tyrrell Day' at the Sir Walter Tyrrell Hotel in New Forest. The Dec. 1979 issue, Vol 2 #4 carried a photo of about 100-150 people gathered at the stone with the Chairman holding the TYRRELL OF HERON crest in front center. That year it was held on September 15.

Their application is priced in English Pounds, but Mrs. Tyndall suggests sending \$15.00 US rather than trying to find a current conversion. This is slightly more than the required minimum, but like us, they can use it for a good cause. International money orders are available at the post office. Those of you who are interested in knowing about our English history and/or where descendents are located around the world are invited to send a long self-addressed stamped envelope to Mrs. Tyndall at the above address.
